Major Storms Add More Snow Here; Precipitation Up

48 Inches Of Snow Covers Truckee Area; Mild Temperatures

Hope that this area would have a light winter vanished this week when the biggest storm of the year persisted all week to add 22 inches of new, wet snow to the pack and bring the total to 48 inches yesterday. This is twice as much as the 24 inches on the ground on this date last year.

Henry Toccalini of the U.S. Forest Service reports the snow held 2.09 inches of precipitation, bringing the total for the season to 19.65 inches, which is the approximate normal for the end of February.

Temperatures during the week ranged from a low of 7 on Saturday to a high of 37 on Sunday.

The storm resulted in minor slides on Donner Summit which blocked travel for brief periods and a few minor accidents resulted. However, for the most part, travel continued its normal flow throughout the week.

State and county snow removal equipment was kept busy and streets and highways were kept cleared and open as crews worked a 24-hour schedule. Frequently the snow here changed to rain and there was no wind. Television aerials and utility lines suffered some damage.

Summit Road Is Discussion Object

A two hour discussion on the question of whether a private operator should keep a 700-foot section of county road on Donner Summit cleared of snow and be reimbursed by the county or wheth er the county should take its men and equipment from Truckee for the job, featured the afternoon session of the board of supervisors Monday.

In the past Glenn Parsons has plowed the road and been paid by the county. However, Road Commissioner Robert Graham said the county should do its own work and that he could take the men and equipment from Truckee for the job.

Lodge and lift operators Max Williamson, Dennis Jones, Elmo Moriano and James Sherritt, who appeared before the board, felt that the time an dexpense involved in going to and from the summit would certainly not be a paying proposition. It was finally tentatively agreed that Parsons will plow the first run and that ordinarily the county will widen the road. Graham was asked to work out the details.

THREE MISHAPS ARE BLAMED ON SNOW

Three minor vehicle accidents, all blamed on the snowy roads were reported by the California Highway Patrol in this area during the week.

Saturday at 11:50 a.m. four people suffered minor injuries when cars driven by William F. Morton, Burlingame, and Dwight F. Lang, Grass Valley, collided near Beacon Hill. Morton had stopped and his car was struck in the rear by the Lang vehicle which in turn had been struck by a vehicle which sped away.

Gertrude Amarel, Gertrude Norton and Martin were injured.

Tirso Uytergsu suffered minor injuries when a car driven by John J. Rocha of Santa Clara hit a snow plow driven by Alvin Nix of Truckee east of Tahoe City Saturday morning. Rocha was cited.

A car driven by Mrs. Earl K. Stice and a county snow plow operated by E. Romo collided at a Gateway Park intersection Monday morning. Both drivers were shaken up but not injured. The car was badly damaged.

LES CICOGNI WILL BE IN ASSESSOR RACE

At least one county official will have opposition at this year's elections.

Leslie J. Cicogni of Grass Valley has announced he will seek the office of county assessor. Cicogni is well known in this area where he often visited as deputy under former assessor, William Tamblyn.

The candidate said he would be in Truckee in the near future to meet some of his friends.

License To Wed—

Spencer A. Richards, 37 years of age, living at Donner Lake and Jo P. Fant, 31 years old of Reno, were issuued a marriage license this week at Reno.

Daughter Ill—

Mrs. Tony Polyanich wrote from San Leandro where she is caring for her grandchildren while her daughter, Mrs. Keith Weeden, is doing well in a hospital following an operation.

From Colorado—

Mr. and Mrs. Gus Benjamin returned last week from Colorado to occupy their property recently vacated by Mr. and Mrs. Hal Welch. The latter family has moved to Donner Lake Lodge.

Local Dog Team Wins Nine Honors In Big Bear Races

Lloyd Van Sickle, Truckee dog musher and winner of many dog derbies in the western United States and Alaska, returned from the snow dog derby in Big Bear, Calif., this past weekend with nine trophies. Three were first place wins and six were second place wins.

Van Sickle was driving Rudy Talso's Samoyed dogs and was sponsored by the Donner Ski Ranch.

"Donner" Van Sickle's lead dog won for best lead dog in California and Alta Van Sickle driving "Comet" (who is a grandson of the great "Rex of Whiteway") won second in the lead dog contest.

The other wins were for the cross country race, relay race, woman's race, fillies race, scavenger race and sprint race.

There were about 12 teams competing in the event, several of which were Malamute and Siberian teams. This is the 4th annual running of this dog derby and the second time that Van Sickle has participated.

In 1956, driving Mrs. A. E. Mason's Samoyed team, he won the lead dog contest, the pulling match, and the sprint race, using "Rex of Whiteway" as leader.

Van Sickle is now training Rudy Talso's team for the dog races to be held February 22 in West Yellowstone, Mont.

MRS. PEDLEY SPEAKS ON SOUTH PROGRAM

Mrs. Fred Pedley, safety chairman for the California Federation of Women's Clubs will spend this week in the Los Angeles area speaking to a number of clubs on traffic safety and will also attend the federation state board meeting at the Biltmore Hotel in Los Angeles.

She will present four safety resolutions for convention vote of the women at the convention in San Francisco in May. Mrs. Pedley will present one of the speakers at the board meeting, Earl F. Campbell, California Traffic Safety Foundation, who will speak on "Highway Safety Is Our Responsibility."

During February and March Mrs. Pedley will speak throughout Shasta and Sutter districts and will also have the highway mobile traffic safety unit wth her for high schools.

TAHOE WEATHER

TAHOE CITY—Up until Monday 30 inches of new snow fell during the week at Tahoe City, bringing the total on the ground to 50 inches. The precipitation for the storm was recorded by Art Frodenberg at 2.56 inches. The lake level Monday stood at 6227.50 feet with 165 csf of water leaving the gates. Temperatures have varied from a low of 15 on Saturday to a high of 39 the same date.

School Board To Study Crosswalk For Floriston Area

Other Business Will Occupy Trustees In Meeting Next Tuesday

A discussion of the possibilities of the school district providing a pedestrian walk over the Southern Pacific tracks at Floriston will feature a meeting of the governing board of the Tahoe-Truckee Unified School District Tuesday evening.

The problem of getting the children from Floriston to the school bus terminal has been under study since the Southern Pacific barricaded the crosswalk several weeks ago, forcing the children to use a narrow underpass considerably farther than the previous crossing.

The school board, state and county officials and particularly the parents at Floriston have been attempting to arrive at a safe and legal means of getting the children to and from the buses, which cannot use the underpass.

A suggestion that the school provide a small vehicle which could negotiate the underpass has been made but thus far all the ideas advanced have met with financial or legal difficulties.

In other action Tuesday, the board will review expenditures, answer questions regarding the application of the Lake Tahoe Archers for use of the Kings Beach school and hear an application from the DeMolay for permission to use the multi-purpose room at Kings Beach during Easter week.

RAINBOW GIRLS TO INSTALL OFFICERS

Hope Assembly, Order of Rainbow of Girls, will install officers Sunday at 2:30 p.m. with Jude Commagere, past worthy advisor as installing officer.

Choir members are Sandra Farris, Vicki Firpo; Dorothy Corbin, Shirley Kohl, Barbara Nelson, Joyce Hallett, Joyce Slate, Judy Collins, Margie Pearson, Bernice Plemons, Linda Critchley, Donna McReynolds, Sharon Worsham, Alice Lander, Arlene Copeland and Clarlene Kisor.

The following will fill appointive positions: Joan Brown, lecturer; Shirley Hall, tribute to Rainbow banner; Alice Lander, and Clarlene Kisor, historians; Arleen Copeland, merit system. The public is invited to attend and tea will be served after the ceremony.

MOTHERS MARCH ON POLIO BIG SUCCESS

KINGS BEACH—The Mothers March on Polio which was made last Friday from Incline Beach to Tahoe City brought in $410.56, according to Mrs. Pearl Moore who said that it was the largest amount obtained since they began the worthwhile project three years ago.

The V.F.W. Auxiliary Post, No. 7077 members took over the program from Incline Beach to Tahoe Vista and members of the Tahoe Women's Club, under the leadership of Martha Snyder dovetailed their march to coincide with the first group, taking in the area from Tahoe City to Lake Forest.

Next week the auxiliary will announce the amount received from their other fund raising projects including the Saturday night event at Crystal Bay Club when a capacity crowd of more than 500 persons thronged the building. Mrs. Moore said that once they were in they were there to stay and enjoy the affair.

The Hawaiian theme was predominant which included an interestng sword dance given by Frank Hooper of Kings Beach and two solo dances by Miss Renee Hall of Truckee.

The Winter Stock Theater group, headed by Jimmie Chastain of Kings Beach and six professional acts from Reno made a gala evening for a gallant cause.

JOIN THE MARCH OF DIMES

SUNBEAMS

By WALTER M. BARRETT

You may have noticed a small, and very truthful item the other day which read: "Today's forgotten man is the one who quit advertising yesterday." The solid truth of this little gem can be seen in every community. Select the advertiser and you will find not only a community-mined, alert business person, but one whose business is progressive, whose stock is adequate and up to the minute and whose service and customer relations are tops. The non-advertiser is just what the little item said—forgotten.

The March of Dimes is drawing to a close but to date, this area is behind its quota considerably. Too many people apparently believe the Salk vaccine has taken over the need for the March of Dimes, but that is not so. Hundreds of thousand of helpless children will remain permanently disabled, confined to iron lungs, wheelchairs or beds if the polio foundation is allowed to die because of lack of support. Make your contribution today and make it as big as possible.

Donner Zone Maps Are Now Available

Further progress toward precise and permanent zoning in the Donner Lake area has been made by the completion of maps showing the residential and commercial zones proposed around the lake, A. T. Parsons, planning consultant, said.

The proposed zoning is based largely on the present restrictions in the deeds to the property, but is subject to change as the result of hearings before the county planning commission and finally before the board of supervisors. Copies of the map showing the proposed zoning may be seen at the office of the Truckee Public Utility District and in the supervisor's room at the courthouse, Nevada City.

A similar map is now being prepared for the Truckee and Gateway areas, and hearings will be advertised in due time.

The first puolic hearing on the Donner Lake zoning will be held Thursday evening, March 13, at 7:30 in the supervisor's room at the courthouse, Nevada City.

LAST RITES HELD FOR MRS. HIIBEL SATURDAY

Funeral services were held at the Truckee Colonial Mortuary at 2 p.m. Saturday for Mrs. Kasia Mahoney Hibel of Kings Beach. Rev. Earl Langguth officiated and Mrs. A. C. Kehm was the organist.

Interment was in Truckee cemetery and pall-bearers were Ivan Astle, Charles Rich, Steve Port, Gene Thompson, John Lavra and William Martin.

Mrs. Hiibel who expired here following a brief illness was survived by her husband, John; one daughter, Mrs. A. Ramsey, Fallon, and two sons, Jerry and Aaron, both of Fallon; her father, Jeremiah Mahoney, and her brother, Jay-Ehert Mahoney flew out from New York to attend the service.

P.T.A. CARD PARTY ON FEBRUARY 13TH

A card party open to the public will be held by the local high school P.T.A. at 8 p.m. on February 13 in the cafeteria of the building arranged to swell the scholarship fund, according to publicity chairman, Walter Jellin. Refreshments will be served following the play.

WYETHIA LUNCHEON ON VALENTINE DAY

The Wyethia Club will hold a Valentine luncheon Friday, February 14 at the Methodist Church. Luncheon will be served at 1 p.m. with decorations and favors in the Valentine motif. All club members are urged to bring newcomers to the area.

The afternoon will be devoted to a musical program. Hostesses will be Mesdames Lucille Bick, Lillian Miller, Edith Welch, Anita Allison, Elizabeth Bavier, Essie Polyanich, Pearl Heller, Ametta Firpo, Mary King and Gladys Pedley.

Wolverines Add 5th Win In Game With Mustang 5

Douglas Here Tomorrow To Meet Local Team On Home Court

by JOHN FIRPO

The Tahoe-Truckee Wolverines picked up their fifth win last Saturday as they defeated the Lovelock Mustangs 60-34 on their own court. The win put the Wolverines in third place two games behind the league-leading Winnemucca Buckaroos, who have a 7-0 record, and one game behind the Manogue Miners with a 6-1 record. For the Wolverines to win the "A" championship, the Miners will have to defeat the Buckaroos, thus leaving each of them with a 7-1 record. Then the Wolverines would have to beat both teams, thus leaving a three-way tie.

Turning to Saturday the Wolverines defense held their opponents to a scoreless four minutes of the first half before Lovelock could score and the quarter ended 16-8. The home team kept hitting and at the half they had a blistering 34-18 lead. During the second half all of the bench played after the third quarter, the result of a 49-23 lead and piled up a final 60-34 win.

Scoring honors were evenly divided as four Wolverines hit for 10 or more points. Floyd Cooper led the group with 13 points followed by Craig Robinson with 12. L. J. Robinson and Ken Vaughan had 11 and 10 in that order.

The Wolverine "Cubs" made it two straight last Saturday as they came out on the victorious side of a 39-37 game over the Mustang JV. Bob Merica, who shot the winning basket in the last minutes of play, was high 12. Teammates Sam Medford and Gary Hulbert each had six.

Next game for the Wolverines is tomorrow night in the TnTer's hame gym with the Douglas Tigers. Saturday they travel to Loyalton to play the Loyalton Grizzlies whom the Wolverines defeated earlier in the season. Douglas is a conference game and Loyalton is non-conference. Preliminary games start at 6:45 p.m.

STEREOPHONIC SOUND EXPLAINED TO CLUB

KINGS BEACH—The Rotary Club of Brockway was host on Monday night to the clubs of Truckee and Tahoe City at the Crystal Bay Club.

After the introduction of visiting Rotarians the meeting was turned over to George Selkirk, manager of the Pacific Telephone Co. and a member of the Tahoe City Club. He in turn introduced Patricia Taylor of the public relations department of his company.

Miss Taylor spoke on the evolution of sound, tracing it's history from the first long distance telephone call in 1887 through the early development in sound reproduction and recordings.

She introduced the latest in commercial reproduction of sound, stereophonic sound.

All 61 members present took part in a two-man ping-ping game; all through stereophonic sound. All equipment was furnished through the courtesy of the telephone company.

BAY AREA RESIDENT EXPIRES ON SUMMIT

George Henry Carey, 48, a resident of San Francisco, expired as the result of an apparent heart attack on Donner Sumit Monday as he was shoveling his car from a snow bank. The body was shipped to Berkeley by the Truckee Colonial Morturay and services were held in the Little Chapel of the Flowers. Carey is survived by his mother, Mrs. Pollye Carey of San Francisco.

VISITORS JOIN LOCAL SQUARE DANCERS

The Donner Dancers enjoyed the visit of three couples from the Tahoe Twirlers last Friday when Dave and Marguerite Ashton, Gene and Frances Tompkins, and Charles and Betty Rich came over from the lake to join the fun. Harry and Edith Ambler, and Larry and Frances Ambler filled out the list of welcome guests.

A Valentine's Day dance will be the occasion for a special party night on February 14. This will be a part of the monthly potluck supper dance. The Donner Dancers meet tomorrow evening in the Veterans' Hall.

$283,000 Asked In State Budget For Quarantine Station

Request for $283,600 for construction of a new plant quarantine station at Truckee was submitted to the state legislature Monday in the 1958-59 budget of Gov. Goodwin J. Knight.

The station is required, the budget said, because of the completion of a freeway around the existing station, with the maintenance of both the existing and new road on a year-round basis.

Present plans call for the new station to be situated almost due south from the present station, just west of the Tahoe-Truckee interchange near Smart's.

While no official notification has been given, it is understaood that the old station, a mile and a half west of Truckee, will be left and manned to handle traffic using the present route of Highway 40.

The plans for the new station call for a structure to span both the east and west lanes of the new freeway.

Olympic Folders Free For Asking

Many residents of this area were interested in the television program "Under the Capitol Dome, at Sacramento, with Merle Hussong as moderator Sunday when guests were Senator Harold T. Johnson, H. D. Thoreau, executive secretary of the California Olympic Commission and Stan Hall of Grass Valley. Hall had taken motion pictures of the work in the valley and they were shown.

At the conclusion of the show, Hussong announced that beautifully illustrated folders, with maps and designs of the proposed games are available and could be obtained free by writing Under the Capitol Dome, KCRA-TV, Sacramento. Everyone is welcome to the folders, Hussong said.

In a panel the previous Sunday, Captain Langner of the California Highway Patrol and R. I. Nicholson of the division of highways were guests on the program and showed pictures and explained the problems of keeping highway 40 open all winter. Pictures of Truckee and Donner Summit were shown.

BUNDLE DAY FOR FOR SCHOOL FIXED

Every child has a right to a pair of shoes, a warm coat and clothes suitable to wear to school. The Tahoe Truckee High School has set aside the week of February 10 as Bundle Day, a nation-wide program carried on by the Save the Children Federation.

"We urge all parents and friends of children to help the students participate in the school's collection," Principal William Sciutto said. The deadline for bringing used clothing to the school is February 14. Especially needed are flat shoes, serviceable coats and dresses, pants, overshoes, rubbers, infant and adult clothing, diapers, bootees, jackets, knit caps, boots and underwear.

Save the Children Federation maintains a stockpile of clothing to meet emergencies both at home and abroad.

CULTURE SOCIETY HOLDS MEETNG HERE

The Friday Night Culture Society met January 31 at the home of Mrs. Stanley Drakulich with the following members present: Mesdames Lee Apple, Edward Frates, Jack Ellis, Kenneth Hedlund, Steve Kolos, J. Mitchell, M. Nix and J. P. Vind.

The hostess served refreshments following a pleasant discussion session.

PUBLIC INVITED TO SKI CARNIVAL SAT.

The public is invited to attend the annual ski carnival of the Bay Area Ski Federation to be held Saturday evening, February 8 in the Truckee Veterans Memorial building.

The group each year arranges an interesting program which is enjoyed by increasing number of local people and visitors.

Victims of Fatal Bus, Truck Crash In Hospital Here

Two Dead, Many Injured As Greyhound Hits Gas Truck

Ten of the 33 passengers on a west-bound Greyhound bus figuring in a fatal crash at Nyack who were brought to the Tahoe Forest Hospital Monday night required medical attention and seven were still in the hospital yesterday.

None of the injured here was in serious condition, hospital attaches reported, although continued treatment is required.

The wreck occurred just east of Nyack at 8:50 p.m. Monday when the bus, driven by Orville Harry Knight, 52, Reno, collided almost headon with a butane tanker driven by Harold D. Beales, 49, Fresno. Beales is among the patients in the hospital here but the bus driver was taken to Reno.

Killed in the crash were Sgt. Edward L. Shanks, 42, Troutville, Va., nad Mrs. Fern Thomas, 56, Tetonia, Idaho. Jesse Thomas, husband of the dead woman, was among the local patients, but was released when relatives came for him yesterday.

Another patient in the hospital here is Mijoko Nagel, a Japanese war bride who was en route to join her husband in Maine. She was not seriously injured but was suffering from pneumonia.

Witnesses reported the bus apparently skidded across the center lime at a fast rate of speed, crashing into the nearly empty tanker, badly damaging both vehicles. Traffic was rerouted for several hours because of the dangers from the spilled butane which flooded the highway.

Eight of the more critically injured were taken to the hospital at Auburn and the others were brought here by the Truckee ambulances. The bus held 40 passengers.

Charge Against Euer Dismissed

Charges of grand theft filed against Louis Euer, well known local man, were dismissed in the Truckee Judicial District Court Thursday by Judge F. W. Wilson after the district attorney failed to appear for the prosecution.

Euer was arrested on November 29 after a complaint had been filed by Felix Smith, of Frog Lake charging that the defendant had taken several articles, including a power light plant from his premises without permission.

At his arraignment, Euer posted $2500 bail and the case was set for preliminary. After postponements, the hearing was finally set for last Thursday.

Smith and Euer both appeared with their witnesses, some as far distant as the bay area.

Judge Wilson said he was not officially notified that another postponement was desired and was prepared to proceed with the case when he was advised by Deputy Sheriff Emery Lander that the latter had just received a radio message from the sheriff's office to the effect that the district attorney, Harold Berliner, was tied up with another trial and would not be able to appear. Wilson called Assistant District Attorney Leo Todd but the latter had no knowledge of the case.

As a result, Wilson said, he had no alternative but to drop the charges. Up until yesterday no new complaint had been filed.

Euer has denied any theft and said he was prepared to fight the case vigorously.

20-30ETTES COLLECT FOR NEEDY FAMILIES

The 20-30ettes have set aside Saturday as a day to collect necessary items for needy families of the community, Mrs. Deloy Hart, publicity chairman, announced. The club members will make a house-to-house canvass and will collect clothing, canned and staple foods and other items which may be used by less fortunate people.

The articles, Mrs. Hart said, will be turned over to local agencies for distribution to the families needing them.

C. B. WHITE FALLS OFF ROOF OF HOME

Charles B. White is recovering from the effects of a 30-foot fall sustained Monday while shoveling snow from the roof of the conservatory on the front of their house.

White was taken to the Tahoe Forest Hospital for x-rays following the accident and later returned to his home where friends were happy to learn yesterday of the improvement of the well known local man.

STRICTLY STRICKLAND

By Bill Strickland

The Dick Buek Memorial junior giant slalom will be held at Soda Springs, Saturday, February 8. Entries have been mailed to all of the FWSKA Ski Clubs in northern California as well as to all of the Bay Area Ski Federation Clubs. About 150 young skiers are expected to participate. The fact that the junior race at Dodge Ridge is a district meet means that the top local youngsters racing the junior circuit will probably compete here instead of at Dodge. Also, on the same weekend is the Bay Area Ski Federation Winter Carnival.—so all of those parents who have been wondering what to do with their small fry while they, the parents, hold their own competition, now have the answer. They can enter them in the junior race and then go on to their own competition. Entries will close at 10 a.m. on Saturday morning; so, if yours isn't in yet, be sure it is in before 10 a.m., Saturday, February 8.

* * *

We attended the inter-high school four-way meet at Squaw Valley and the Powder Bowl this past weekend. At the end of the giant slalom and slalom the three top teams were only two and six-tenths points apart. South Tahoe, under the expert coaching of Sheldon Varney, led with 197. Right behind at 196.1 was Reno, as a result of Don Murphy's excellent win in the slalom and second place to Tahoe-Truckee's Kit Schull in the giant slalom. Just one and seven-tenths behind was Tahoe-Truckee with 194.4.

Kit Schull's victory in the cross country and second place in the jumping, combined with Bob Strickland's fourth place in the cross country pulled Tahoe-Truckee into second place on the team basis. Out of a possible 400 points in the four way, South Tahoe had 397.0.

Tahoe-Truckee	385.8
Reno	374.0
LeeVining	365.3
Placer	345.8

Four way honors went to Kit Schull of Tahoe-Truckee, first in giant slalom, first in cross country, second in slalom, second in jumping—quite a performer, that lad.

Sherry Thatcher of Kings Beach and Tahoe-Truckee High School led all the girls in both the slalom and giant slalom—this gal looks like a real comer.

Dorothy Moreer of the Tahoe-Truckee was second to Sherry in both events. So, on the distaff side, the girls of Tahoe-Truckee made it a clean sweep.

Now for the FWSA junior giant slalom championship at Edelweiss on Sunday and an interesting point of results.

It was news to me, and I imagine it will be news to a lot of youngsters who didn't race, but, in the junior racing book it states that points may be given toward special races from the FWSA giant slalom. In other words the selection of California's team to the American Legion meet in Sun Valley can include points earned in the FWSA giant slalom championship. We remember the extreme competition generated in the final point meet at Mammoth last year. Gary McCoy, Dennis Hogan, Dick Kun, Larry Klopfenstein and Eddie Arnold had already made the junior national team. But each one of them had a chance for an alternate spot on the Legion team. Dennis and Gary were just one point apart. They didn't better their standing that last race, but had this circumstance prevailed last year, Dennis could have replaced Gary as the alternate because he raced this giant slalom, while Gary did not. In fact, those giant slalom points could have affected the entire first five, had they applied them. I didn't see any names from the South, Yosemite, Dodge Ridge or Mammoth Mountain, except Murphy—I wonder—wonder—wonder.

However, Kit Schull continued on his merry winning way—with the day's fastest time, 1 minute, 45 seconds for one and one-quarter miles. He was really moving. Second fastest time went to "Spider" Sabich of Edelweiss, a 13-year-old, Class III skier, in the remarkable time of 1:48. Also in the top group were Don Murphy—Mammoth; Dave Wakeman—Edelweiss; Marshal Shore—Edelweiss, and Richard Robin of Heavenly Valley.

Fastest girls' time was Starr Walton's 2:08.

Other top girls were Linda Smith of Reno; Dee-Dee Tschopp of Squaw Valley and Mary Sabich, Deanna Gay and Juoy Fransenetti—all of Edelweiss.

* * *

Ronnie Rau, our top Olympic potential, is in Sun Vally for two weeks of training. If this young man's leg holds up, you'll be seeing his name with monotonous regularity as the different meets are held around the country—or, at least ,those are our predictions. The Valley's wonderful snow, plus some courses to test the abilities of the best, will be at his disposal; so he should have an opportunity to sharpen up, and fast.

* * *

Last week I received, with deep gratification, a letter from Henry Moekle, secretary of the Winter Sports Writers Association of California and Nevada, stating I had been granted an associate membership in their organization. I feel that, all of the news releases and stories I've sent out for, oh, so many years, may finally show results. Many thanks to all of you.

Tahoe Truckee School News

TAHOE LAKE SCHOOL

Tahoe Lake kindergarteners are up to their nines on their number readiness color pages.

Toosie Speeter reports she has a new little baby named Susie and all the class is quite thrilled.

Ten children said they would very very much like to have a baby sister or brother in their family. The others have them.

FIRST: In the first grade this week we have been making words that have the little word "all" in them. This is a little poem which the children composed using these words:

I am tall.
You are small.
We cannot play ball
In the hall.

SECOND: In second grade the following people made 100 percent in spelling this week: Bro. Shontz, Erik Henrikson, Tommy Hoff, Jim Caulkett. In a speed and accuracy test in combinations Bro Shontz was first; Mike Dempsey, second; Erik Henrikson, third and Mike Burmer, fourth.

SECOND-THIRD: Second and third grades took an exciting underwater trip with the famous Cousteau, meeting strange fish lives as the man-of-war with his pink sail and side guns and the sea-anemanes, looking like garden flowers while they munch upon tasty fish.

FOURTH: We just received a new series of science books. "The Wonderland of Science."

On the sick list for the week were Jean Hallifax, Warren Moyer, and Alex Cushing. We wish them a quick recovery.

Jeffery Lodi's drawings of the early California missions lend a nice decor to our room.

FIFTH-SIXTH: The class is beginning to settle down after the excitement of the first school ski lesson. The sixth grades has just completed the study of Canada.

Our new science books have just arrived. We are also stressing reading, writing and arithmetic to a great degree.

TRUCKEE ELEMENTARY

We are very happy to welcome Mrs. Osborn back after her operation, we hope she will stay well and healthy in the future.

FIRST: The class had decided to build a store in the room. We will make the store with wooden boxes and additional lumber.

Excellent arithmetic test papers were turned in by Elaine Barnes, Michelle DeLisle, Patty Forrester, Karen Reid and David Goldsmith.

Eight students joined Mr. Goodrich in the ski class on Thursday. Several more would like to join. If any small size skiis are available please contact the school.

SECOND-THIRD: Those having penmanship papers on our bulletin board are Bill Rose, Bruce King, Darlene Doolittle, Marion Ayala, Pamelia Horman, David Higgins, Bruce Ayala, Ronnie Walker, Wayne Mosby and John Gholson.

Barry Waters, John Gholson, Bruce Ayala, Dickie Daniels, Charles Collier, John Clark, Henry Frates, Susan Schuler, Dennis Crandall, Diane Daly, Marion Ayala, Bill Rose, Michelle Harris, Ronnie Walker, Wayne Mosby, David Higgins, Bobby Goldsmith, Phillip Risden, Bruce King, and Darlene Doolittle had correct final tests in spelling on Friday.

We are sorry that Mary Ann Moore and John McGlade are sick.

THIRD: Our perfect spellers this week are: Cherie Comola, Jonny Hiatt, Rhonda Manley, Gary Waters, Susie Olano, Lucille Knauss, Bill Waters, Russ Glenn, Marv Braley, Carmen Arrascada, Vicki Crandall, Cheryl Rockholm, Kathryn Braasch.

Gail Englehart has returned to school, after a long illness.

We have a new girl in our class from Fernley, Nev. Welcome, Carmen Arrascada!

Our skiers are: Beginning Karen Hedlund, Heidi Euer. Intermediate: Susie Olano, Cheryl Rockholm, Len Vind, Gail Englehart, Bill Waters, Tim McLane and Gary Waters.

FOURTH: The fourth grade certainly was off in space this week. With Ricky Ralphs leading the way with an idea, no fewer than 15 plans of space ships were submitted by Betty Saarni, Walt Dallas, Charles Hintz, Anne Morey, Doug Nelson, Diana Pankoke. Still keeping their feet on the ground, however, Dawn Maynard and Claudia Ayala came through with very fine papers in language. John Besio shined in arithmetic. Another puppet show, "Billy Goats Gruff," is being prepared.

Youngsters selected by the pupils as showing the most improvement in the year were Doug Nelson, Dawn Maynard, Connie Rhoades. All of us regret the illness of Connie Rhoades, Kathleen Kenyon and Mark Moore. Most everyone concerned was happy with the finger painting, but we sure learned not to use to much starch. Laugh of the week: On a reading test, the question asked, "Do you suppose the teacher in the story could be as mean and ugly as your teacher,?" brought this response from a pupil, "In a way, No!"

FIFTH: Those pupils making a perfect score in spelling words and definitions were: Marcia Leamon, Judy McGwinn, Dennis Douglas, Eddie King, Gloria Boyer and Pat Shane.

In social study, special reports are being prepared by Jim Roth, David Watts, Michael Sauby, Tod Bedrosian and Dennis Douglas.

SIXTH: Members of our class have started group projects relating to Peru, Bolivia and Chile, Steve Besio and Karey Kielhofer are making a chart showing the exports of Peru. Jim Randall and Leonard Hensley are showing the produucts of Chile on a large map. Roy Barnes and Daryl Androus have started a products may of Bolivia.

Class officers for February are: Rowena Schuler, Leilani Braasch, Karey Kielhofer.

KINGS BEACH SCHOOL

KINDERGARTEN: This week, Jimmy Hallahan and Janet Stumbo made their Indian drums. Pattie Graton and Sally Templeton both celebrated their birthdays on Monday, January 27.

FIRST: This week, we are learning to spell some of the easy words in our spelling boxes. Wednesday, half of the students made 100 percent. We are hoping for more on Friday. The girls are making clowns out of boxes, and the boys are making animals.

SECOND-THIRD: In science, we are studying pre-historic animals. Jan Jensen drew a dinosaur, and Jeff Malley drew a brontosaurus. For language arts, our class is writing a composition on their favorite fairy tale and why they like it.

THIRD-FOURTH: We are making a solarium in science. So far, we have the five smallest planets finished. In social studies, we are studying about homes of our California Indians. We are making Indian homes in class showing the different kinds of homes in the various areas in California.

FIFTH-SIXTH: Land of the colonists and Yankee Doodle. We are building a pioneer fort, dressing dolls in colonial costumes and showing how the colonists lived.

Church Notes

TRUCKEE BIBLE CHURCH

Pastor and Mrs. Rhoades returned from a very full schedule during their three and a half day stay in Portland.

However, they found their daughter, Connie, ill upon their arrival home. Friday evening she was placed in the hospital with pneumonia; we are thankful to report that her recovery is progressing nicely.

It is with real appreciation that we acknowledge the signs made for the church by James King of Floriston. Certainly we need the cooperation of Christians in the ministry of the Word. And Mr. King has given freely of his time, talent and materials.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

All Points South

Mr. and Mrs. C. W. Vernon left Wednesday for southern California via 395. They plan on visiting various places in southern California after which they will go to Palm Springs, Arizona and on to New Mexico where they will spend some time. If everything goes according to plans they will then journey on to San Angelo, Texas, to visit some friends. The route they have chosen for the return trip home will bring them through scenic Death Valley. Of course this journey will be made in their lovely new car.

Mr. and Mrs. Bill Wilt left this week for a vacation that will take them first to Los Angeles and then on to Las Vegas where they will be joined by the Tony Donadios and Mr. and Mrs. Steve Korich. The Korichs will continue on to Palm Springs and to Arizona and plan to be gone most of February.

Snow Time Is Party Time

Our golfers are not in the least daunted by snow. Last Tuesday a group of lady golfers made a trek over to Reno where they spent a very wonderful afternoon golfing. Returning late in the afternoon the ladies all met at the home of Pat Fox for a steak fry, each guest bringing a steak. These enthusiastic golfers were Mike Ellis, Betty Kielhaufer, Dorothy Leamon, and Eva Besio from Truckee and from Tahoe City were: Jean Henry, Elsie Martin, Buelah Carnell and the hostess, Pat Fox.

Mrs. Bill Wilt was hostess to a surprise birthday party in honor of her husband's birthday on January 25 at the Trade Winds. Eighteen guests enjoyed a wonderful Chinese dinner prepared by Joe Ross, owner of the Trade Winds, who went all out to make it a special dinner that will be long remembered by all of those present.

Those enjoying the evening besides the Wilts were Mr. and Mrs. Marshall Ruhkala, Ray Grahn, Steve Korich, Robert Snyder, Don Reick, Tony Donadio, Ernie LePire, Ben Jones, and Bill Curry who was also celebrating his birthday.

Meetings

Rotary met on the 28th of January at the Tahoe Inn. There were 24 members and two guests present. Harold Farr had Mr. Jin Reynolds, principal of the local grammar school as his guest and Don Snyder's guest was Harold Irish of Reno.

George Selkirk was in charge of entertainment and presented an educational film on the manufacturing of tin cans, a movie produced by the U.S. Steel Co. At this meeting the members voted on a joint meeting to be held Monday evening at the Crystal Bay Club with the Brockway and Truckee Rotary Clubs. Another film put out by the Pacific Tel. & Tel. will be presented.

Tahoe City Public Utility District

A meeting of the board of the Tahoe City Public Utility District was held Tuesday night, February 4th at 7:30. The meeting was called to take care of business and payment of bills.

Church Organizations

Of interest to all of the young people belonging to the Corpus Christi Catholic Church at Tahoe City is the news of a junior choir being formed on Friday the 14th

NORTH TAHOE

By JUDGE HARRY CHARRISON

A Visit South

Otto Walter has taken over the Kings Beach barber shop while the Sipes family have gone up a notch in the navy, having passed an examination of which 29 took part and he was one out of nine that were successful, of course, as he says, he had to apply himself somewhat.

Luncheon

The place—Tahoe City, the time—1 p.m, Saturday, February 1 at the Carl Bechdolt Seniors, Carl and Yvonne, the occasion—a luncheon, the guests—Richard and Ruth Lavery and the judge and his wife, Elsie. The hosts were outstanding in their hospitality.

Weather

The past weekend was just perfect for the ski fans, the largest number on any weekend of this season, around 20 buses between Tahoe City and Crystal Bay.

Changed Hotels

According to his mother, Kenny Lavery has been moved to the infirmary at the University of Nevada, where he can continue with his studies. Good for Ken, I hear your bones are mending rapidly.

Women's Club

The Women's Club had a fine meeting recently at the Crystal Bay Club. There was a large attendance and the auction was a big success. The annual hat party is to be held shortly so get your hats made. Prizes will be awarded for the prettiest, funniest and most original hat, the theme this year will be childhood memories.

It's A Boy

It's a boy for the Kaminas of Carmichael, the mother is Mrs. Icel, formerly of Tahoe Vista, he arrived January 13.

Slowed Down

Work on the Mount road slowed down temporarily, due to the snow.

Back From Trip

Mr. and Mrs. Lynn Magill recently returned from a three-week trip to southern California and New Mexico, also visited Slim and Icey Laborde in Phoenix, Ariz.

Building

I understand Bert Hooper who recently acquired the Woods Hotel in Tahoe Vista is about to build a number of cabins.

Locals On The Job

It is nice to know that at least two of our locals are to start work almost immediately on the Tahoe Biltmore. Gene Faulkner in the plumbing and Fred Baker excavation.

Just Visiting

Mr. and Mrs. Stewart Brisbin were up over the weekend from Costa Mesa, making arrangements to start building on their property in Kings Beach.

Back Home

Rev. Earl Langguth and his wife, Mary Lu, are back from their vacation down south, understand they had a wonderful time but are glad to be back at the lake.

Speaking before the Placer County Chamber of Commerce in Auburn last week, H. D. Thoreau, executive secretary of the California Olympic Commission, said all sports facilities in Squaw Valley would be completed in time for testing next winter.

FELTON as substituted trustee (by virtue of an instrument entitled "Substitution of Trustee" dated February 20, 1957, recorded March 18, 1957, in book 230, page 459, Official Records in the office of the Recorder of Nevada County, California) under and pursuant to a Deed of Trust dated December 5, 1941, recorded December 8, 1941, in Book 75, page 205 of Official Records in the office of the Recorder of Nevada County, California, and securing among other obligations a promissory note in the principal sum of FOUR THOUSAND ONE HUNDRED SEVENTY DOLLARS ($4,170.00) dated December 5, 1941, in favor of FRED D. RAYMOND (now deceased and whose interest as payee and beneficiary has by devolution vested in DONALD M. FELTON), will sell at public auction to the highest bidder for cash (payable in lawful money of the United States of America at time of sale) at the main entrance, Nevada County Court House, Nevada City, Nevada County, California, all right, title and interest conveyed to and now held by her under said deed of trust in the property situate in the County of Nevada, State of California, described as follows:

All that certain property being in the Southwest quarter of the Northwest quarter of Section 23. Township 17 North, Range 14 East, M. D. B. & M., described as follows, to-wit:

Beginning at the Southwest corner of the lot herein described a pipe 1 inch in diameter, from which the point for the quarter section corner between Sections 22 and 23. Township 17 North, Range 14 East, M. D. B. & M., bears South 35° 27' West 247.26 feet; thence North 6° 10' West 100.00 feet to the Northwest corner a pipe ¾ inches in diameter; thence North 83° 50' East 100.00 feet to the Northeast corner a pipe ' inch in diameter; thence South 6° 10' East 100.00 feet to the South east corner a pipe 1 inch in diameter; thence South 83° 50' West 100.00 feet to the place of beginning.

EXCEPTING from the foregoing described parcel that certain parcel of land as conveyed by the deed dated November ——, 1937, recorded December 4, 1937, in Book "39" of Official Records, at page 421, executed by William Rutherford, a single man, to Marie Aslakson, a single woman.

The beneficial interest under said deed of trust was distributed to DONALD M. FELTON by an "ORDER SETTLING FIRST ACCOUNT AND DIRECTING PRELIMINARY DISTRIBUTION" entered in the matter of the estate of FREDERICK D. RAYMOND, also known as FRED D. RAYMOND, also known as FRED RAYMOND, also known as F. D. RAYMOND, deceased, by the Superior Court of the State of California in and for the County of Placer in probate proceeding No. 8209; said Order having been recorded on August 13, 1956, in Book 223, page 407, Official Records in the office of the Recorder of Nevada County, California.

Said sale will be made, but without covenant or warranty express or implied, regarding title, possession or encumbrances, to pay the remaining sums due upon said note and secured by said deed of trust, to-wit: $2,999.11 with interest from February 14, 1948, as in said note and deed of trust provided, advances, if any any, under the terms of said deed of trust; fees, charges and expenses of the Trustee and of trust created by said deed of trust.

The beneficiary under said deed of trust, by reason of a breach or default in the obligations secured thereby, heretofore executed and delivered to the undersigned, a written Declaration of Default and Demand for Sale, and written Notice of Breach and of election to cause the undersigned to sell said property to satisfy said obligations, and thereafter, on August 14, 1957, the undersigned caused Notice of Default to be recorded in Book 235, page 432 of Official Records in the office of the Recorder of Nevada County, California.

Dated: January 27, 1958.

TICKET SPECIALIST NAMED FOR GAMES

Clive Becker of Los Angeles, specialist in ticket distribution and control, has been appointed ticket director for the 1960 Olympic Winter games, according to announcement made by Robert DiGigerio executive vice-president of the organizing committee.

Becker has had wide experience in all phases of ticket handling for numerous athletic events, and in recent years has been engaged in managerial and operational capacities at Santa Anita, Hollywood Park and Del Mar race tracks in southern California, and at Golden Gate Fields, Albany. In addition to these assignments, he has also supervised ticket operations at Loyola University, Gilmore Stadium and at Los Angeles City high schools.

Becker was employed as a deputy collector of internal revenue in Los Angeles from 1942 to 1944.

As director of ticket operations for the winter games, he will supervise a staff operation at winter games headquarters, 333 Market street, San Francisco.

At the present winter Olympics headquarters have on hand several thousand ticket inquiries. They are date stamped as received and when prices and distribution procedures have been worked out, applications will be mailed on the basis of receipt of inquiry. Becker reported that actual distribution will not be undertaken until the early summer.

Robert L. King, executive director of the 1960 winter Olympic games at Squaw Valley, told a North Conway, N.H., audience that extensive TV coverage of the games, including live transmission to Europe is being planned. Special towers will be erected along the Alpine courses to provide constant coverage, he said, if present plans are followed.

WATER
A Delivery Fee
For thousands of years it's been just the same
Dame Nature in water abounds
You get it from lakes and rivers and wells
And it's free wherever it's found.
The cost to the user is low indeed
He pays a delivery fee,
But the water itself is made by God
And it's absolutely free.

JUNIOR SKIERS AT EDELWEISS MEET

by MYRTLE CARNELL

TAHOE CITY—There is something very invigorating about youngsters in competition. The determination, which was shown this Sunday at Edelweiss by the junior skiiers as they fought the odds of a very tough course and bad weather, deserves every praise. Of the 86 entries in the meet, 19 were entered from the Squaw Valley Lake Tahoe Ski Club, and out of a possible 30 places they captured nine. This was more places than any of the other clubs entered. On the preceding Saturday Diane McBride met with an unfortunate spill which broke her leg, all of the other juniors wish Diane a speedy recovery and hope to see her on the hills again just as soon as her leg permits.

The skiers from the Squaw Valley Lake Tahoe Ski Club were: Karen and Diane McBride, Wayne Poulsen, Jr., Lance and Chris Poulsen, Sandra Fellows, Cathy Conners, Johnny Carnell, Gregg Moore, Sherry Thatcher, Dee Tschopp, Kit Schull, Trent Giannini, Billy Conners, Smiley Tschopp, Dan Conners, Parkey Bechdolt, Jimmy Bechdolt, Patty Lewis and Vicky Jones.

TNT TIDINGS

by NANCY WATTS

The freshmen sponsored a dance Friday, January 31st. During this very successful dance, Lynda English was crowned freshman queen, with Sharon Worsham, Tina Gruendemann, Joan Decker, and Jo Ann Pomin as her attendants. The attendance was unusually high. Congratulations, 9th grade, "Cupid's Hideaway" is generally thought of as the most successul dance given this year!

TNT sponsored a four-way ski meet at Squaw Valley last Friday and Saturday. Included in the meet were slalom, giant slalom, jumping, and cross country type races. Kit Schull, from Tahoe-Truckee, was the four-way combined individual winner, as he was first in the giant slalom and cross country and second in the other two races. Sherry Thatcher was the girls' winner with first place in both girls' races. Rumor has it that the team is making plans to go on to much bigger and better things, including the regional championship.

On February 18th, students of this school will try for supremacy in the annual Lions' Club student speakers contest. The topic for this year is "Community Service, a Way of Life," and there are about 12 students participating. Six will be chosen from the school, three of which will speak before the Truckee Club, and three before the Kings Beach Club.

* * *

The seventh grade has been having a series of cake sales in order to raise money for its class flag. The flag will be made up of blue and white, the class colors.

Notice to All TNT Students: Rooters' bus signup for the basketball game with Loyalton Saturday will be closed today. Unless there are 40 people who have bought tickets, which cost 50c a piece, there will be no bus, so don't forget.

Howard Leamon and Eric Gregorson of Sacramento were guests during the weekend of the R. G. Leamons for an outing of skiing.

CARD OF THANKS

To our friends and neighbors who were so kind during our recent bereavement, we take this means of expressing our sincere appreciation. Particularly do we thank the staff of the Tahoe Forest Hospital for their consideration, efficiency and courtesy.

NEW TELEHONE CO. FILM IS SCHEDULED

People are doing something about the weather.

The story of what science has done to discover the causes of weather will be seen in "The Unchained Goddess," the latest in the Bell System TV science series to be shown on State KCRA, Channel 3, on February 12 at 9 p.m. and KOLO TV, Channel 8 on February 23 at 4:30 p.m.

Fabulous films of lightning storms and actual tornadoes sweeping a furious path of destruction across the land are part of the hour-long presentation.

The science movie even takes the viewer aboard an air force weather plane into the "eye" of a hurricane—the strange center of the hurricane which remains for some unknown reason an area of light, fluffy clouds and sunlight.

"The Unchained Goddess" is named for Meteora, the goddess of weather who is one of the animated cartoon characters in the film. Along with other weather gods, she provides a cartoon backdrop on which Richard Carlson and Dr. Frank Baxter describe the causes of the four elements of weather, —wind, clouds, rain and snow.

Baxter and Carlson, who appeared in other Bell System science films, explain that scientists are only in the most elementary stages of controlling weather. But the opportunity for research in this field are vast, and the effect of such research extremely far-reaching.

"The Unchained Goddess" was produced by academy award winner Frank Capra with technical advice from leading weather scientists throughout the country.

JACQUELYN ABBOTT WEDS SEATTLE MAN

KINGS BEACH—Jacquelyn Wilma Abbott of Kings Beach and Richard Lawrence of Seattle, were married at a two o'clock ceremony Sunday at the Wee Kirk of the Pines, a Methodist Church at Kings Beach, Rev. Earl Langguth officiating.

The bride, daughter of Mr. and Mrs. Byron L. Abbott of Kings Beach was gowned in a creation of lace and tulle over white satin, this being designed and made by the bride and mother. Also fashioned and made by them were the below shoulder veil with caps for the bride's attendants. The bride was escorted down the isle and given in marriage by her father.

Miss Abbott is a graduate of Tahoe-Truckee High School and now attending Reno Beauty College. She chose as her matron of honor, her sister, Mrs. Maurice Lemke of Seattle, with bride's maids Anita Antillon, Karen Decker, and Shirlee Griffith wth Warren Lee Coates, cousin of the bride as usher. Miss Carolyn Henry of Tahoe City sang "Always" and "The Lord's Prayer." She was accompanied at the organ by Mrs. Earl Langguth, who also played the wedding march.

The groom, a native of Seattle had as his best man his brother, Kenneth Ryckman, now stationed at Phoenix, Ariz. Other attendants were three men stationed with the groom at Stead Air Force Base at Reno.

Out-of-town guests included: Mrs. Lucille Mulkey, grandmother of the bride, Bakersfield; Mrs. K. Ryckman, mother of the groom, Seattle, Wash; Mr. and Mrs. Foster Lyon; Mr. and Mrs. Lynn Kemper; Mrs. Warren Coates; Shirlee Griffith; Doris Griffith; Warren Lee Coates; all of Bakersfield; Mr. and Mrs. Aaron E. Abbott, Miss Sherly White of Sacramento.

Following the ceremony a reception was held in the banquet room of the Crystal Bay Club where a five-tiered cake with punch was served to 150 guests. Mr. and Mrs. Lawrence left immediately for Reno, where they have taken an apartment. The young couple will take a delayed honeymoon in August when they will meet some friends in Seattle and take a 30-day cruise to Alaska.

NEWS NOTES

(Continued from Page 4)

of February. It is open to young people of all ages and will begin at 7:30 p.m. In charge of this singing group will be Pat Vanni and Maizie Carnell. The group will be trained now to sing for Lenten season and for Easter Sunday Mass.

The Girls Friendly Society met February 2 for their first meeting at the St. Nicholas Mission. The meeting consisted of choir practice art lessons, Bible studies, sports and was concluded with a potluck dinner. The girls' art work is on display at the hall. This group is sponsored by Naomi McLane, Mrs. Gordon Morier and June Hampton. The committees selected were: Food chairman, Barbara and Carol Hampton. Choir robes, Donna Burger, and secretary—Barbara Keehn. Their next meeting will be held on February 16 at 5 till 8 p.m. and any girls from the fifth grade through high school interested are to contact Barbara Keehn at Juniper 3-3302.

Art Group

On Tuesday, February 11 a meeting will be held for anyone interested in the study and working in art mediums. The meeting will be held at 8 p.m. in Mr. Beardsley's real estate office at the Y. Lillian Farr is in charge of organizing the group and has set this meeting for making arrangements for a future art group. This is a chance for anyone who is interested in doing any type of art. Each person may work in whatever medium he is best suited.

A Letter From St. Nicholas

The Sunday before last there were 28 at church and 42 this last Sunday. Such a splendid turnout in spite of the bad weather, roads, and illness shows the spirit and enthusiasim of our little church. This Sunday we started a Girls' Friendly Society which will meet every other Sunday and this fine group will sing a special number at the services next Sunday. Also next Sunday will be the start of an acolytes club, an organization for boys of the community. The boys will have music, sports, religion, and refreshments too, and will meet also from 5 to 8 p.m. Gordon Morier and Jay Shontz have done a splendid job of keeping the snow out of the drive. The small jeep battling huge drifts of snow dramatizes the stories of David and Goliath.

Come to church next Sunday for religious fellowship.

Yours faithfully in Jesus Christ
Charles Beardsley,
Bishop's Layreader.

Go South—
Richard Joseph and his sister, Mrs. Roxie Archie, went south last week on a combined pleasure and business trip to Arizona, Nevada and perhaps into Mexico.

WHILE TRAVELLING TOWARD HIS LUMBER CAMP, GLENN PHELPS TOLD TARZAN A STRANGE TALE ABOUT HIS LOGGERS BEING KILLED BY CROCODILES.

"WELL, THERE'S THE CAMP!" GLENN SHOUTED. "AND THERE IS OLU, THE HEAD MAN, COMING TO GREET US--"

"KHAYA IS SCARCE," EXPLAINED PHELPS. "SINGLE TREES ARE SEPARATED BY MANY ACRES, SO I MUST DEPEND ON OLU, MY 'CRUISER,' TO SPOT THEM."
